

## Guide to Archive Holdings

*October 2019*

Sedgwick Museum  
*of Earth Sciences*

Researchers who wish to use any of these papers should contact Museum Staff stating the subject of their research.

The inclusion of a collection on this list does not necessarily imply that it is available immediately for consultation.

More detailed information about each collection is available via the Archives Hub.

<http://archiveshub.ac.uk/contributors/cambridgesedgwick.html>

\* Uncatalogued papers

### A

#### **Agrell, Stuart Olof (1913-1996) Mineralogist and petrologist**

Correspondence with collectors and depositors of specimens, and students; field notebooks; and photographs. 1933-1997.

AGRL 30 boxes\*

*NB: Box lists are available to parts of this collection.*

#### **Arber, Edward Alexander Newell (1870-1918) Botanist**

Biographical and diary notes for each year from 1870; letters 1903-1918; draft biographical chapters; lists of class students and yearly accessions to collections; and some photographs. 1870-1918.

ARBR 3 boxes\*

#### **Arkell, William Joscelyn (1904-1958) Geologist**

Notes about specimens collected; annotated published papers; and correspondence. 1952-1954.

ARKL 2 boxes\*

### B

#### **Black, Maurice (1904-1973) Sedimentary petrologist**

Mechanical analysis notes; scanning electron microscope (SEMs) photographs of chalk; cocolith photographs; correspondence; lecture notes; field and specimen notebooks. 1921-1975.

BLCK 19 boxes\*

**Bonney, Thomas George (1833-1923) Geologist**

12 tour notebooks of Thomas Bonney, 1886-1916.

BNNY 11 volumes\*

**Bulman, Oliver Meredith Boone (1902-1974) Geologist**

Correspondence with contemporaries and associations; typescripts of papers; notebooks of trips made to Sweden, Brussels, Norway and Holland; personal papers; maps; and lantern slides. 1928-1973.

BLMN 19 boxes (and lantern slides in really useful boxes)\*

*NB: Box lists are available for this collection.*

**C**

**Cambridge, Phil (1918-1933) Palaeontologist and geologist**

Species card indexes; notebooks; maps and notes; correspondence with other conchologists; cuttings; personal papers including poems and photographs. 1943-1990.

CMBG 31 boxes\*

*NB: Box lists are available for this collection.*

**Cambridge Spitsbergen Exploration Collection (1928-2000)**

Accounting, administration, expedition, and equipment files including photographs and specimen catalogues, which all relate to work undertaken and specimens collected in Svalbard (Spitsbergen). 1928-1992.

CSEC 500 boxes\*

*NB: Collection (and series) level descriptions are on the Archives Hub*

**D**

**Deer, William Alexander (1910-2009) Mineralogist and Petrologist**

Slides [35mm and lantern]; black and white photographs depicting work undertaken in East Greenland; expedition notebooks and annotated field maps. 1933-1966.

DEER 13 boxes\*

*NB: Box lists are available for this collection.*

**F**

**Forbes, Dr Colin Lachlan (1940-2014) Geologist, museum curator**

Records relating to work as a museum curator and as an advisor about water supply. Correspondence; notes; maps; and photographs. 1936-2002.

FRBS 100 boxes\*

*NB: A box list is available. Please note that some files are closed.*

**Fuchs, Sir Vivian Ernest (1908-1999) Knight Explorer**

Notebooks, papers and diaries about geological work in East Africa. Including sketches and maps indicating what specimens were located and where. 1933-1938.

FCFS 6 boxes\*

*NB: There are partial detailed lists for this collection.*

**H**

**Harland, Brian (1917-2003) Geologist**

Student notebook and cuttings; Sedgwick Club notebooks and photograph albums; Isle of Arran slides and field notebooks with photographs and maps. 1955-1965.

HRLN 6 boxes\*

**Harker, Alfred (1859-1939) Petrologist**

Records detailing geological excursions in the U.K, Europe and America from the late nineteenth century. Notebooks; sketchbooks; and photograph albums. 1860-1936.

HRKR 13 boxes

*NB: The Catalogue is available on the Archives Hub*

**Hughes, Thomas McKenny (1833-1917) Geologist**

Correspondence with contemporaries; records of the international geological congresses in Bologna, London, Zurich and Russia; field-note books; records relating to the Woodwardian Museum; drafts of papers and speeches; and photographic albums. 1875-1915.

HGHS 17 boxes\*

*NB: There are partial detailed lists for this collection.*

**Hughes, Mary Caroline (1862-1916) Geologist, wife of Thomas McKenny Hughes**

Personal correspondence and notes; diaries; and scrapbooks relating to tours and visits including International Geological Congress (IGC) meetings. 1875-1915.

MCHS 6 boxes\*

*NB: There are partial detailed lists for this collection.*

**J**

**Joseph, John Kenneth Sinclair St (1912-1994) Archaeologist**

Art work and papers for a publication on Brachiopods. Circa 1935-1938.

STJH 3 boxes\*

## K

### **King, William Bernard Robinson (1889-1963) Geologist**

Notebooks from the Second World War about water boreholes; rolls of maps; typed manuscripts; correspondence and notes; dress medals; certificates; and a photograph album. 1909-1961.

WBRK 8 boxes

*NB: The Catalogue is available on the Archives Hub*

## L

### **Lake, Peter (1865-1949) Geologist**

Notebooks and hand-written catalogues about specimens collected, mostly concerning Cambrian Trilobites. Also including correspondence; and drawings. 1900-1945.

LAKE 4 boxes\*

### **Lewis, William James (1847-1926) Mineralogist**

Copied research papers in notebooks; receipts for purchased specimens; correspondence; and manuscripts and notes. 1879-1898.

LEWS 5 boxes\*

*NB: There are partial detailed lists for this collection.*

## M

### **Macfadyen, William Archibald (1893-1985) Petrologist**

Papers, reports and notes relating to fossil localities and specimens; sketches of fossils; geological maps; and notebooks relating to work for the Nature Conservancy. 1900-1975.

MCFN 39 boxes\*

*NB: A box list is available for this collection*

### **Marr, John Edward (1857-1933) Geologist**

Notebooks of geology undertaken in Cambridgeshire, Yorkshire, Wales, Cumbria and Bohemia. 1875-1925.

MARR 6 boxes\*

*NB: There are partial (detailed) lists to this collection.*

### **Martin, P.G (fl. 1930-) Geologist**

Diary about geological excursion in Svalbard, 1951.

MRTN 1 item\*

*NB: An access copy of this diary is available to consult*

**Miller, William Hallowes (1801-1880) Mineralogist**

Hand-drawn crystallographic sketches; manuscript notebooks; notes on physics problems; abstracts from published texts; details of specimens; and correspondence with Henry James Brooke (1771-1857) crystallographer. 1829-1870.

MLLR 10 boxes\*

*NB: A box list is available for this collection*

**N**

**Nicholas Tressilian Charles (1888-1989) Geologist**

Field notebooks related to mapping work; department and geological correspondence; postcard collection; Sedgwick Club photograph albums; and lantern slides. 1910-1980.

NCLS 17 boxes\*

*NB: There are partial detailed lists for this collection.*

**P**

**Peters, Edwin Arthur (1868-1945) Surgeon and physician**

Photograph album of scenes in Cambridgeshire, U.K and Europe. Including photographs of Sedgwick Club excursions, and Addenbrookes University Hospital, Cambridge. 1885-1893.

PTRS 1 box\*

**R**

**Ramsay, Professor John Graham (1931-) Geologist**

Biographical information and maps, n.d.

RMSY 2 boxes\*

**Rickards, Richard Barrie (1938-2009) Palaeontologist**

Records about work on Graptolites and as a Museum Curator. Including correspondence; and photographs. 1948-2005.

RKDS Approx 100 boxes\*

*NB: A box list is available. Please note that some files are closed.*

**Ruddy, Thomas (1842-1912) geologist**

3 volumes (diaries) including details of work with Thomas McKenny Hughes on the Silurian Fossils of the Bala area from the 1870s. 1872-1890.

RDDY 1 box\*

*NB: A further 5 volumes are to be accessioned in 2020, 1891-1912. Partial transcriptions are available.*

## S

### **Sedgwick, Adam (1785-1873) Geologist**

Notebooks about expeditions across the UK including lists of specimens; and annotated maps. 1818-1873.

ADSW 20 boxes\*

### **Sedgwick Club**

Administrative documents including minute books and financial record notebooks; field trip scrapbooks; copies of talks; and social activities ephemera. 1880-.

SGWC 28 boxes\*

*NB: Series and file item level descriptions are on the Archives Hub*

### **Sedgwick Museum of Earth Sciences**

Administrative papers; correspondence with depositors; photographs of events; and newspaper cuttings. Also including manuscript catalogues of specimens. 1733-.

SMES Approx 100 boxes\*

*NB: Some series have been listed.*

### **[Scilla, Agostino \(1629-1700\) Painter and Geologist](#)**

Dr Johns Woodward's copy of 'La vana speculazione disingannata dal senso' (Vain Speculation Undeceived by Sense). Including 30 pencil sketches. Circa. 1670.

SCLA 1 item

*NB: the text has been translated, and the plates have been digitized (see website)*

## W

### **Wallis, Roger (fl 1940-) geologist**

Geological maps; 12 field notebooks; working manuscript files and typed history notes about geological work in Ny Friesland, Svalbard. 1964-1968.

RWLS 6 boxes\*

*NB: A box list is available.*

### **Whidborne, George Ferris (1846-1910) Geologist**

Correspondence and papers. 1903-1910.

WDBN 1 box

### **Whittington, Harry Blackmore (1916-2010) palaeontologist**

Correspondence; notes; photographs; and diaries from time spent in America. 1934-2010.

WHTN Approx 50 boxes\*

**Wilkinson, Peter (1925-2003) geologist and explorer**

Slides and field notebooks relating to expeditions to East Africa to study Kilimanjaro. 1960s.

WLKN 10 boxes\*

**Woodward, John (1665-1728) Physician and Geologist**

Published texts; details of contents of fossil cabinets (handwritten catalogues); and a copy of Woodward's will. c.1725-1730

WDWD 18 volumes and 1 box (approx)\*
